

# Spanish 1 Menu Project Planner

**Due date: January 24, 2017**  
**Project is worth 30 points (Tests)**

**Objective:**

In this project, you play the role of a restaurant owner who needs to develop and create a menu in Spanish for your restaurant established in one of the Spanish-speaking countries of the world. Your menu must have four categories and twelve items, all authentic dishes of the target culture of your choice within the Spanish-speaking world. You must decide on an appropriate name for your restaurant, create an address and phone number, and list hours of operation consistent with examples you find online from authentic restaurants of the target culture. Your menu items must be priced in the local currency, converted in an appropriate manner for the target culture.

**Directions:**

**Step 1:** Choose a Spanish speaking country (one whose official language is Spanish) and write its name on the line below.

\_\_\_\_\_

**Step 2:** Using the country you chose above, research and record the following:

- A major city in the country is (for example, its capital city): \_\_\_\_\_
- Make up a realistic address for a restaurant in that city. Write it out as it would appear in that country.

- The unit of currency used is the: \_\_\_\_\_ With the symbol: \_\_\_\_\_
- What is the value of their currency today? 1 U.S. Dollar = \_\_\_\_\_ of their currency.

- What are 3 typical dishes / items served there for breakfast, lunch, dinner and drinks? How much would each item cost (convert it from U.S. dollars into the local currency – xe.com is a great resource)? *Note: descriptions of each dish are **not** necessary.*

- el desayuno

1. \_\_\_\_\_ (price) \_\_\_\_\_
2. \_\_\_\_\_ (price) \_\_\_\_\_
3. \_\_\_\_\_ (price) \_\_\_\_\_

- el almuerzo

1. \_\_\_\_\_ (price) \_\_\_\_\_
2. \_\_\_\_\_ (price) \_\_\_\_\_
3. \_\_\_\_\_ (price) \_\_\_\_\_

- la cena

1. \_\_\_\_\_ (price) \_\_\_\_\_
2. \_\_\_\_\_ (price) \_\_\_\_\_
3. \_\_\_\_\_ (price) \_\_\_\_\_

- bebidas (non-alcoholic, por favor)

1. \_\_\_\_\_ (price) \_\_\_\_\_
2. \_\_\_\_\_ (price) \_\_\_\_\_
3. \_\_\_\_\_ (price) \_\_\_\_\_

- Locate and/or download at least 4 photos or illustrations of items featured on your menu. I suggest copying and pasting them to a document, resizing them to the size you need, and printing them all at once using a color printer.

**Step 3:** Fold a 9" x 12" piece of construction paper in half (vertically or horizontally) and create a menu (**using only Spanish words**) for your restaurant. Include the following:

On the cover:

- A cover design for your menu
- The name of your restaurant
- The address and phone number
- The days of the week and hours of the day the restaurant is open

Inside the menu:

- 4 sections of your menu labeled el desayuno, el almuerzo, la cena, and bebidas
- List 3 typical dishes or items under each section
- Give each dish or item a "realistic" price in the currency of the country you have chosen using the appropriate currency symbol.
- Include illustrations/pictures of at least 4 items featured on the menu

On the back of the menu:

- Write your name and class period—nothing else.
